

**CROFT PARK**  
CAFE BAR & BISTRO

Little Weighton, East Yorkshire

-----  
The good stuff, made properly

## OUR STORY & SOURCING

At Croft Park Café, we believe food tastes better when you know where it comes from.

- **Beef & lamb from Rowley Farm**, just two fields over
- **Meat from Gary the butcher**, proudly based in Hessle
- **Freshly baked bread** by Fuller's family bakery
- **Salads** from our Cottingham greengrocer
- **Sausage rolls, quiche & scones** handmade by TC Patisserie in Beverley
- **Gelato** from Walkington

If we can make it ourselves, we do — mains, soups, dressings, chips, coleslaw.

And when the weather plays nice, ask for **The Sun Terrace**: a bright, flower-filled deck surrounded by hanging baskets and tubs, made for long, lazy lunches.
